Reviews

Merely no words to spell out. I am quite late in start reading this one, but better then never. I am happy to explain how this is actually the very best publication we have go through within my personal daily life and can be he best ebook for at any time.

ALLEN BROWN'S ENGLISH CASTLES (REVISED EDITION)

[DOWNLOAD](#)

Boydell & Brewer Ltd. Paperback. Book Condition: new. BRAND NEW, Allen Brown's English Castles (Revised edition), R.Allen Brown, Jonathan Coade, Castle studies have been shaped and defined over the past half-century by the work of R. Allen Brown. His classic "English Castles", renamed here to acknowledge its definitive approach to the subject, has never been superseded by other more recent studies, and is still the foundation study of the English, and Welsh, castles built between the Norman Conquest and the mid 1500s. As the subject evolved, so too did this book, and for the most recent edition a considerable amount of French comparative material was added, though it remains essentially a study of English castles. For Allen Brown, castles were fortified residences (or residential fortresses), and developed, from European precursors, to support political and social realities as the Norman and Angevin kings secured their realm. Once these political ends had been largely met, the castle and castle-building entered a period of decline, and domestic and military interests went in opposite directions. This book, with numerous photographs and plans, remains the outstanding guide to the origins, purpose and identity of the great castles of England and Wales. R. Allen Brown was also the author of "The Normans", "The Norman Conquest of England" and "The Normans and the Norman Conquest" and founder of the Battle Conference on Anglo-Norman Studies, now in its twenty-sixth year.
