

Clinical Trials: What Patients and Volunteers Need to Know

By Lorna Speid

Oxford University Press Inc. Paperback. Book Condition: new. BRAND NEW, Clinical Trials: What Patients and Volunteers Need to Know, Lorna Speid, Every year, hundreds of thousands of healthy volunteers and patients worldwide undertake the journey through the maze that can be clinical trials. Research participants take part in clinical trials for a variety of reasons. The healthy volunteers may be seeking extra money to pay off college tuition, or they may know someone who is suffering and would potentially benefit from the results of the trial. The patient who is terminally ill might participate in a clinical trial simply as a last hope for a cure. Whatever the goals, though, most participants will experience the same sense of bewilderment as they encounter the jargon and medical terminology that they will hear and have to read about and understand during the course of the clinical trial. Clinical Trials: What Patients and Volunteers Need to Know demystifies the entire process, focusing on the process of drug development, and the clinical trial itself. Writing from a lifetime of experience, the author provides important questions to ask those running a clinical trial, key definitions and terms for a participant to know and understand, as...
