It is one of my personal favorite pdf. This really is for all those who state there was not a really worth looking at. I realized this book from my dad and i encouraged this pdf to understand.

Stichting Kunstboek BVBA, Belgium, 2013. Hardback. Condition: New. Bilingual. Language: Japanese,English . Brand New Book. Beautiful photographs capture this artist's original approach to floral design Surrounded by flowers from a very young age, the decision to become a floral designer was an obvious one for Hideyuki Niwa. To keep on challenging himself, Niwa often takes part in competitions and tries creating and photographing a new design every day to get a thorough understanding of the characteristics of flowers and their possibilities. His classic, linear style and minimalist expression with careful placement of plant materials, quintessential characteristics of the Japanese aesthetic concept wabi sabi , rightfully won him a Bronze Leaf in the 2010/2011 edition and the Gold Leaf in the 2012/2013 edition of Stichting Kunstboek's prestigious International Floral Art.
