Extremely helpful to all class of individuals. It really is written in straightforward terms instead of difficult to understand. I am just happy to explain how this is the finest publication I have got read inside my own lifestyle and might be the very best ebook for possibly.

But to emphasize their moral weakness as compared with other races that flourished before or since is a different matter. With every effort to avoid taking one extreme position to combat its opposite we venture to urge that the Greeks, so far from being immoral or indifferent to morals, were intensely moral, that few peoples have been so earnestly interested in life and conduct, and that no people with the one exception of the Hebrews have given us a literature so dominant and vitalized by the ethical point of view. The contrast between Hebraism, or such an ethical system as that of Confucius, and Hellenism, lies not in the fact that one emphasizes conduct while the other...
