Reviews

This is an incredible ebook which i actually have ever go through. This can be for those who statte that there had not been a really worth reading. I am just quickly can get a delight of reading a published book.
(Ms. Colleen Ziemann V)

BEATDOM 14 (PAPERBACK)

Createspace Independent Publishing Platform, 2014. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Beatdom #14 is the movie issue, and it's our biggest one ever. We have interviews with the filmmakers behind some of the best Beat movies, as well as reviews, essays, short stories, artwork, and poetry inspired by movies. In this issue, David S. Wills takes a look at the first Beat flick, Pull My Daisy, while Nick Meador reviews the latest, Big Sur. Neil Reddy asks why Hollywood hasn't yet gotten Beat-inspired movies right, while Michelle Rudolf contends that they did with Howl (2010). Naturally, we took a look at the recent adaptation of Jack Kerouac's On the Road, with GK Stritch lamenting that Marlon Brando never took the opportunity to play Dean Moriarty. We also have a meta-review of the reviews of Beat movies and a lot of investigation into William S. Burroughs' interest in the movies, as well as their interest in him. Film-makers Wayne Ewing, Marc Olmsted, Aaron Brookner, Waylon Bacon, and Tom Huckabee all join us to share their perspective from behind the camera, rounding out our best ever issue.
