The Politics of Survival: Peirce, Affectivity, and Social Criticism

By Lara Trout

Fordham University Press. Paperback. Book Condition: new. BRAND NEW, The Politics of Survival: Peirce, Affectivity, and Social Criticism, Lara Trout, How can sincere, well-meaning people unintentionally perpetuate discrimination based on race, sex, sexuality, or other socio-political factors? To address this question, Lara Trout engages a neglected dimension of Charles S. Peirce's philosophy - human embodiment - in order to highlight the compatibility between Peirce's ideas and contemporary work in social criticism. This compatibility, which has been neglected in both Peircean and social criticism scholarship, emerges when the body is fore-grounded among the affective dimensions of Peirce's philosophy (including feeling, emotion, belief, doubt, instinct, and habit). Trout explains unintentional discrimination by situating Peircean affectivity within a post-Darwinian context, using the work of contemporary neuroscientist Antonio Damasio to facilitate this contextual move. Since children are vulnerable, naive, and dependent upon their caretakers for survival, they must trust their caretaker's testimony about reality. This dependency, coupled with societal norms that reinforce historically dominant perspectives (such as being heterosexual, male, middle-class, and/or white), fosters the internalization of discriminatory habits that function non-consciously in adulthood. The Politics of Survival brings Peirce and social criticism into conversation. On the one hand, Peircean cognition, epistemology, phenomenology, and...
