

## Wisdom of the East: Buddhist Psalms Translated from the Japanese of Shinran Shonin (Paperback)

Filesize: 5.77 MB

### **Reviews**

*This ebook is definitely not straightforward to start on looking at but really enjoyable to learn. It usually will not charge excessive. It is extremely difficult to leave it before concluding, once you begin to read the book.*

Createspace Independent Publishing Platform, United States, 2015. Paperback. Condition: New. Translation. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. It is a singular fact that though many of the earlier Buddhist Scriptures have been translated by competent scholars, comparatively little attention has been paid to later Buddhist devotional writings, and this although the developments of Buddhism in China and Japan give them the deepest interest as reflecting the spiritual mind of those two great countries. They cannot, however, be understood without some knowledge of the faith which passed so entirely into their life that in its growth it lost some of its own infant traits and took on others, rooted, no doubt, in the beginnings in India, but expanded and changed as the features of the child may be forgotten in the face of the man and yet perpetuate the unbroken succession of heredity. It is especially true that Japan cannot be understood without some knowledge of the Buddhism of the Greater Vehicle (as the developed form is called), for it was the influence that moulded her youth as a nation, that shaped her aspirations, and was the inspiration of her art, not only in the written word, but in every art and higher handicraftsmanship that makes her what she is. Whatever centuries may pass or the future hold in store for her, Japan can never lose the stamp of Buddhism in her outer or her spiritual life.
