A police officer by day, he spends much of his free time in pursuit of dangerous, high-octane hobbies-anything to help him forget his time in the military. A part of him realizes his behavior is destructive, but he feels no incentive to change. Then he meets Julia Ross, a gorgeous woman who s engaged to a domineering man she doesn t love. His protective instincts kick in, followed by the realization that he doesn t just want to save her.he wants her to save him, too. Julia feels as if she s in a trap with no escape. Her family insists that she keep her engagement to her wealthy fiance, but to do so would mean relinquishing her dreams. The debt she feels to her single mother is almost powerful enough for her to make that sacrifice, but then she meets Jake-a man who s as kind, gentle, and considerate as Vincent is violent and controlling. But as soon as she starts drawing away from Vincent, it becomes clear that as far as he s concerned, leaving him might be the last thing she ever does. Together, Jake and Julia stand a chance to conquer their pasts and create a wonderful future, but will Vincent get in the way of their fresh start in Summerhill?.
