

Fundamentals of Qualitative Research

By Johnny Saldana

Oxford University Press Inc, United States, 2011. Paperback. Book Condition: New. 206 x 140 mm. Language: English . Brand New Book ***** Print on Demand *****. Fundamentals of Qualitative Research approaches qualitative inquiry as a strategically selected composite of genres, elements, and styles. Saldana, author of the bestselling book, The Coding Manual for Qualitative Researchers, brings clear writing and explanatory prowess to this new textbook for learning the fundamentals of qualitative research methods. This book presents a concise yet rigorous description of how to design and conduct fieldwork projects and how to examine data in multiple ways for interpretive insight. Saldana, a master teacher and qualitative data analyst, acquaints readers with the major genres of qualitative research available and the elements of interviewing, participant observation, and other data collection methods to inform emergent research design decisions. An extended chapter on qualitative data analysis is one of the book's unique features. Saldana devotes necessary coverage to conceptual foundations, coding, analytic memo writing, thematic analysis, assertion development, grounded theory, narrative and poetic inquiry, and ethnodramatic approaches to the data. Eight distinctive styles of qualitative writing are presented. The book concludes with a list of recommended readings in the field, as well..
