Penguin Putnam Inc, United States, 2011. Paperback. Condition: New. Language: English . Brand New Book. I m John Taylor. I work as a PI out of the Nightside, that secret centre of London where clocks always read three A.M., where terrible things happen with predictable regularity, and where the always-dark streets are full of people partying like Judgement Day will never come. Now it may have arrived. God s own enforcer, the righteous engine of destruction known as the Walking Man, has come to the Nightside. He s a being whose sole purpose is the elimination of the wicked and the guilty--and given the nature of the Nightside, there s a good chance that once he gets started, he ll just keep on until there s no-one left. So the Authorities have hired me to stop him. Legend has it that he can t be killed. I m very much hoping that the legend isn t true.
