AUTHORHOUSE, United States, 2010. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. A Prescription Suitable For Anyone. Antidotes From Another Hemisphere is a compilation of verse intended to cleanse the mind and recycle non-toxic thoughts. The author leaves behind a trail of clues that hints at a solution to the puzzle. Each poem contains a medical spin, some easier to diagnose than others. When defining medicine, one often thinks of medication, surgery, scalpels, hospitals and physicians. This however, is something much less invasive, yet equally therapeutic. From an introduction of marriage to the act of sneezing, this book features some new aspects of the author, including an alternate ending, a short story and a thought-of-the-day section. From a journey into the bowels of the bathtub to mechanisms in pharmacology, these stanzas will have you thinking on a tangent, as the hemispheres of art and science collide.
