

DIY Skull and Bone Cleaning: Learn Tips, Tricks and Techniques That Professionals Use (Paperback)

By J A Long

Createspace Independent Publishing Platform, United States, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. I have discovered a growing interest in bone cleaning, de-greasing and preservation by artisans, jewelry makers and collectors who use bone and skulls as a media for their crafts. Many of these people are new comers to bone work and lack the basic knowledge to produce grease free, sanitary products. In some cases, this can leave an artist creating a piece of art that in time can develop odors like rancid fat, turn dirty yellow and it may actually grow mold. I wrote this manual to provide easy to understand information geared to beginners as well as others who are looking for a better or new way to preserve skulls and bones with as little damage as possible. This book gives you the basics and more.

Reviews

Completely essential go through ebook. It is definitely basic but shocks in the 50 percent from the publication. I am delighted to let you know that this is the best pdf i have go through inside my individual lifestyle and can be he best pdf for possibly.
-- Damien Reynolds I

This is basically the greatest book i have got read through until now. It normally will not expense an excessive amount of. I am just delighted to let you know that here is the greatest book i have got go through within my individual existence and might be he finest book for at any time. -- **Precious McGlynn**
