Forgotten Books, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Excerpt from d104book of General Zoology An introduction to the science of Zoology may be secured in a variety Of ways. One may become interested in the life Of field and stream as a hunter and fisherman, or as an amateur naturalist through the collection Of specimens. The farmer s son who watches the insects that devour the crops and who protects insect-eating birds may become something of a zoologist unawares. The boy or girl who studies Anatomy and Physiology in school becomes famil iar with structure and function as found in the bodies of higher animals. A high-school course in Zoology or in Biology Offers a more comprehensive introduction. Whatever may have been the student s previous experience with zoological science, it is desirable that he make the most Of it throughout the study outlined in the present volume.
