In the face of this frustration, some parents resort to counseling and even medication. Yet Scripture offers proven counsel for parents to implement into their homes. Teaching a Child to Pay Attention compassionately examines this problem from a biblical perspective. Building on his first book, The Truth about ADHD: Genuine Hope and Biblical Answers, Dr. Berger shows that problems with attention are not specific to children diagnosed as having ADHD rather these problems are universal: all children must be taught to pay attention rightly. This premise, along with the belief that the Scriptures addresses the child s education, provides the framework for the solution. These two ideas make this book, like the first one, a no-nonsense yet compassionate guide to genuine hope for frustrated parents. It offers parents and teachers a step-by-step plan from Proverbs for teaching a child to pay attention rightly and helping them to succeed.
