Reviews

It is just one of my personal favorite publications. It is among the most awesome publications I have read. It is extremely difficult to leave it before concluding, once you begin to read the book.

Evolved Publishing, 2013. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Sometimes, the ones you least suspect are the ones that should worry you the most. [Young Adult, Zombies/Horror, Western, Romance] People aren't always what they seem, as Red has experienced all too well. Strangers are feared, towns are avoided, and everyone's intentions are scrutinized. Even those closest to her. Her coveted ability has been revealed to far too many people, and now that a tiny heartbeat thumps and grows beneath her own, the risk has never been greater. As the group of ten searches for a safe haven, a place to finally call home, the sobering reality of it all finally settles over them: nowhere is safe, nothing is permanent, and death is everywhere. One by one, Red's reluctant posse grows smaller, as death claims some, and circumstance claims others. It couldn't be a worse time to bring a newborn into the world. But the baby is coming. **Dead Plains** by Angela Scott Evolved Publishing presents the third book in the multiple award-winning **Zombie West** series.
