Brilliance Corporation, United States, 2016. CD-Audio. Condition: New. Unabridged. Language: English . Brand New. A concise, jargon-free guide to learning what Buddhist meditation is--and isn't--with advice on how to start a meditation practice. If you want to meditate but have no idea where to begin, this book by bestselling author and Buddhist teacher Susan Piver will help you: It contains everything you need to know to start a meditation practice and, even more important, to continue one. It defines what meditation is (and what it is not); dispels the three most common misconceptions about it; advises ways around obstacles; addresses the most frequently asked questions; and shows how meditation can have positive impacts on relationships, creativity, and difficult emotions. However, Piver presents meditation as something more than the self-help technique du jour--it is a path to love, joy, and courage. This book contains two self-paced programs to help you start here--now!.
