

The Other Pulpit: Life Lessons of a Leader! (Paperback)

By Pastor Steve L Turner

Trafford Publishing, United States, 2014. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.This inspired writing is long overdue. This is released to set free and inspire others about the power of forgiveness. We are a nation of forgotten and discarded children of illicit affairs and relationships in the church. We were unable to be raised in the same home or be acknowledged by society or the church at large. We were left behind without the means, perhaps only to survive. All of us saw great cathedrals, and dynasties were created for their first families and other favored cliques. We were outcast as spiritual lepers and left for dead, recipients of only partial love and attention. We received only what were considered the scraps off the table. We are like casualties of war; we were left for dead.
