BRILLIANCE AUDIO, 2016. CD-Audio. Condition: New. Unabridged. Language: English . Brand New. How does a headstrong girl like me learn to survive in a man s construction racket? By taking your old man s advice, even if it comes from six feet under. Thirty-eight-year-old Ava Spike Harrison can hold her own in the boys club that is the construction business. Her late father saw to it that she was as comfortable on a job site as she was behind a textbook. But the past few years have had her over a barrel--job site injuries and a string of bad luck, including the death of her husband, have hampered the venerable Harrison Construction Company. Taking a cheap job here and there has been her only option. Grasping at straws, though, comes at a price: an asbestos removal contractor she s hired, Jimmy Farrell--a lifelong acquaintance who gladly accepted \$10,000 from Spike as a good faith incentive--has gone AWOL. The three hundred students at Albany s PS 20, the job site, are about to be exposed to deadly asbestos fibers. What starts out as a goose chase--from a cleared-out office to Jimmy s impounded car--turns into an all-out search for the real story behind the man s sudden disappearance. Trading in her work boots for gumshoes, Spike must tread a path paved with deception, greed, and even murder if she s going to nail down the truth. Vincent Zandri, author of the popular Moonlight saga, spins intrigue and danger with a thrilling new series and a sharp, feisty heroine who has little left to lose.
