The Collins Press. Paperback. Book Condition: new. BRAND NEW, The Kerry Way: A Walking Guide, Donal Nolan, The Kerry Way is Ireland's longest waymarked trail and one of the most popular. Looping around the Iveragh Peninsula, it follows narrow country roads, forest paths, abandoned coach roads and mass paths, national park land and farmland. This clear and lively guide gives the prospective wayfarer enough information to plan and enjoy every step. It offers a detailed description of the trail plus lively asides on geology, history, folklore, settlement, flora and fauna. Above all, this guide will keep the reader from getting lost. The trail description is broken down into sections from the first step out of Killarney, through the high passes in the MacGillycuddy's Reeks, into the splendour of the Ring of Kerry, and back to Killarney. This guidebook is a light, lively guide to this 200km walk, with enough guidance, cultural background and natural history to ensure the user stays on track to arrive at their car, hostel or B&B.
