She had a strange feeling she had been there before. As soon as she hit the floor, she saw Sissy Walker of 1875, it was the most bizarre dream, when she awoke she tried to tell her parents about her strange dream. They dismissed it as nothing. Over the years Sissy would continue to have these strange episodes, each time she felt like she was watching a movie, each episode was always triggered by some antique or old object or picture. Finally, she meets someone she has seen in her dreams, Trick Sloan has been waiting twenty eight years for her. Read Sissys story to see what happens when your past lives catch up to your present life. A love story two hundred years in the making. This item ships from La Vergne, TN. Paperback.
