It has complete coverage of the Framework. The scheme provides support without prescription for flexible planning and teaching; pupil material that aims to be clear, fun, and easy to use; clear structure and progression; support for more able children; and easy-to-manage assessment. The 'Organising and Planning Guides' provide detailed advice on how to use NHM to deliver the Framework objectives. Further support from the Teaching File provides a schematic showing the sequence of teaching, with pages and components needed and a summary for each mathematical topic. In addition, the NHM Framework planning CD contains unit-by-unit lesson plans. On starting each lesson, 'Tune-in' introduces each section of work, reinforces previous learning, and can be used as pre-teaching assessment. 'Starters' and other mental activities offer specific activities linked to particular sections of maths, and generic activities for use with a range of different topics. 32 pp. Englisch.
