Createspace Independent Publishing Platform, United States, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. In this book I will take you into the meat of God s word. It is written on the level of the mature Christian; this book will ruffle some feathers but, the truth always does. I m going to tell you why some were chosen by God and some weren t. I m going to tell you what Satan did and the angels that followed him. Why were we born? to answer an age old question; we need to go to an age old book. That question is answered in more ways and places than one in the King James Version of the bible. This book will highlight to you what is written in the bible and what a pastor haven t mentioned to you yet; hopefully he will before it s too late. Imagine yourself in a fight or battle and you don t know what the fight is about. The LORD and Satan is at war; the children of God are standing on one side of the battle or the other. Maybe in knowing what the battle is about it will help you to choose whose side to stand on in this battle. If you knew the truth about why we were born then you will know which side to stand on in this battle.
