Reviews

This ebook is fantastic. It is actually written in straightforward terms rather than hard to understand. It has been designed in an extremely straightforward way and it is merely soon after I finished reading through this ebook through which in fact modified me, altered the way I really believe.

THE CIVIL SERVICES IN INDIA (OXFORD INDIA SHORT INTRODUCTIONS)

Oxford University Press, New Delhi, India. Softcover. Book Condition: New. An efficient and competent bureaucracy is indispensable to any modern state. This short introduction to the civil services in India identifies its importance in nation-building and governance, and puts forth its varied roles in the current polity. This book discusses the evolution and structure of the civil services; processes of recruitment and training; mechanisms of accountability; and the civil servant-political executive relationship. It captures the various contributions and drawbacks of the services, and advocates reforms in the existing set-up towards a cleaner, more efficient, and performance-based structure in keeping with India's influence as an emerging superpower. Printed Pages: 224.
