Excerpt from The Unfolding of Old Glory The flag of a nation plays an important part in its history. Moreover, even the slightest change in a nation s flag is often an historical milestone. This is as true of the history of the United States as of any other country. The United States, as a nation, is a daughter of Great Britain. On July 4, 1776, the United Colonies of America declared that they were free and independent States, the United States of America. The mainland of the continent of North America was discovered in the year 1000 A. D. by Leif Erickson. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books.
