

An Idiot's Tale: The Lost Writings of Rapunzel (Paperback)

By R E Lieske

Createspace Independent Publishing Platform, United States, 2013. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. An Idiot's Tale: The Lost Writings of Rapunzel recounts the true story of a remarkable half-breed; half-human and half-angel. Rapunzel is no mere fairy maid--but a woman of extraordinary gifts and an exceedingly active scalp. Born in an age of Plague and witch hunts, when a woman's intelligence could easily be seen as the Devil's work, she must conceal her true nature and somehow forge a destiny she can bear. In the process, she must escape diminishment, religious superstition and an unexpected romance with her humor and dignity intact. An Idiot's Tale is a sharp and funny commentary on the media--and a romantic slide into a world where living truth really does save the day.

Reviews

It is a single of my favorite publication. I have read and so I am sure that I will likely to study again once again down the road. I am delighted to let you know that this is basically the greatest publication we have read inside my own life and might be the best pdf for possibly.

-- **Maria Morar**

This is an amazing book that I actually have actually read through. I am quite late in start reading this one, but better than never. You will not truly feel monotony at anytime of the time (that's what catalogs are for concerning should you ask me).
