ADDED UPON (PAPERBACK)

Createspace Independent Publishing Platform, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. A religion, to be worth while, must give satisfactory answers to the great questions of life: What am I? Whence came I? What is the object of this life? And what is my destiny? True, we walk by faith, and not by sight, but yet the eye of faith must have some light by which to see. Added Upon is an effort to give in brief an outline of the scheme of things, the ways of God to men as taught by the Gospel of Christ and believed in by the Latter-day Saints; and to justify and praise these ways, by a glance along the Great Plan, from a point in the distant past to a point in the future--not so far away, it is to be hoped. This book is about the journey of souls. The story follows individuals throughout the span of eternity, from before the world was - to the joys, tribulations, romance, and spiritual growth of mortal life - to the hereafter and beyond. Added Upon is the truest of true love stories, encompassing love in its different forms - God's love, family love, romantic love, friendly love. The characters are tangible. Their earthly experiences are real and relatable. Fiction, Doctrine, and Love are masterfully woven together like a braid of three fine satin ribbons.
