It s been almost a year since eighteen-year-old Ella Rodriguez was in a car accident that left her crippled, scarred, and without a mother. After a very difficult recovery, she s been uprooted across the country and forced into the custody of a father that abandoned her when she was a young child. If Ella wants to escape her father s home and her awful new stepfamily, she must convince her doctors that she s capable, both physically and emotionally, of living on her own. The problem is, she s not ready yet. The only way she can think of to start healing is by reconnecting with the one person left in the world who s ever meant anything to her-her anonymous Internet best friend, Cinder. . Hollywood sensation Brian Oliver has a reputation for being trouble. There s major buzz around his performance in his upcoming film The Druid Prince, but his management team says he won t make the transition from teen heartthrob to serious A-list actor unless he can prove he s left his wild days behind and become a mature adult. In order to douse the flames on Brian s bad-boy reputation, his management stages a fake engagement for him to his co-star Kaylee. Brian isn t thrilled with the arrangement-or his fake fiancée-but decides he ll suffer through it if it means he ll get an Oscar nomination. Then a surprise email from an old Internet friend changes everything.
