A famous killer returns on Halloween night but this time the only life he wants to take is his own. The problem with his ambition is that his religious views are in the way of his plan coming to fruition. The killer has a theory that if he is given forgiveness then he will gain an opportunity to enter Heaven, not because he is a killer, but a vampire as well. A curse that was forced upon him when he was human and made him go into hiding. Now after a century of torment, he has decided to call it quits but not before achieving absolution. An unlucky priest finds himself meeting the most evil creature he will ever come across as he is forced to listen to his confession. He will listen as this villain reveals intimate details that no history book couldve ever known about. He will hear his sins and then decide whether he can forgive this man for the evil he has done and the evil he is. Will he help this killer achieve his goals or be victim to a monsters rage Will the killers belief pay off or is his madness blinding him to the fact that he is beyond redemption. This is a dark tale not meant for anyone young so buy at your own risk. If youre a fan of horror or vampires, this book is for you. I hope you deeply enjoy this and after youre done, take a look at my other works. Until the next is written. This item ships from La Vergne, TN. Paperback.
