## My First Numbers Let's Get Counting

By DK

Dorling Kindersley Ltd, United Kingdom, 2011. Board book. Condition: New. Language: English . Brand New Book. With things to count, words to read, and simple questions and activities, this first numbers book is perfect for preschool learning. Read it together and help your toddler develop their observational and maths skills as they learn to recognise quantities and numbers. Chunky tactile tabs invite little hands to turn straight to their favourite number, and there's more hands-on learning on each page, your child will love pointing to the colourful pictures of familiar objects - from 4 balloons and 5 rubber ducks, to 7 colours of the rainbow, 8 rabbits, and more. Then when they have counted up to 10, there are other activities to try, like comparing different quantities of objects to see which is less or more, counting backwards from 10, and discovering what groups of 20, 30, 40, 50, and 100 objects look like. My First Numbers: Let's get Counting makes teaching your toddler about numbers as easy as 1, 2, 3!.
