CreateSpace Independent Publishing Platform. Paperback. Condition: New. This item is printed on demand. 142 pages. Dimensions: 8.0in. x 5.2in. x 0.3in. Does the soul survive death? Are we reborn again and again, and can we access the knowledge and the memories acquired in earlier lives? Followers of New Thought, the early-20th-century New Age philosophy, believed so, and here, in *Reincarnation and the Law of Karma*, William Walker Atkinson, one of the most influential New Thought voices, explores the concept of reincarnation throughout history, from the Egyptian idea of the soul through Plato's teachings on the subject and on to modern spiritual outlooks on eternal life. Originally published in 1908, it remains a fascinating and insightful document on the theory of rebirth and the principles of spiritual cause and effect. With arguments and proofs supporting the idea that the soul is a traveler on a long journey, Atkinson covers ancient races, Egyptians, Jews, Romans, Hindus, the modern West, justification for reincarnation, proofs of reincarnation, arguments against reincarnation, and karma. This is a fascinating and immensely readable look at a question that has haunted humanity since antiquity. Cover photography by Paul Spemulli. This item ships from La Vergne, TN. Paperback.
