THE TOUR

Createspace, United States, 2014. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.The night that hung over the sea was windless and blissfully silver-pure after the glowing splendour of the day; and the great quadrireme glided evenly and softly, as though upon a lake, under a wide firmament of stars. The thin horizon was purely outlined around the oval sea; and on this wide world there was nothing but the stars and the ship. But the ship resounded with music. There was the constantly repeated melodious phrase of the three hundred rowers, soft and monotone, in a melancholy minor, with ever the same refrain, after which the boatswain gave out the chant, after which the chorus of rowers again threw back their long, hushed phrase of melancholy, the soft, monotonous accompaniment of the wearying work, the musical encouragement to repeat the same movement of the arms and the same bending of the body over the loins.
