## Feral: Rewilding the Land, the Sea, and Human Life (Paperback)

By George Monbiot

The University of Chicago Press, United States, 2017. Paperback. Condition: New. Reprint. Language: English . Brand New Book. To be an environmentalist early in the twenty-first century is always to be defending, arguing, acknowledging the hurdles we face in our efforts to protect wild places and fight climate change. But let s be honest: hedging has never inspired anyone. So what if we stopped hedging? What if we grounded our efforts to solve environmental problems in hope instead, and let nature make our case for us? That s what George Monbiot does in Feral, a lyrical, unabashedly romantic vision of how, by inviting nature back into our lives, we can simultaneously cure our ecological boredom and begin repairing centuries of environmental damage. Monbiot takes readers on an enchanting journey around the world to explore ecosystems that have been rewilded freed from human intervention and allowed--in some cases for the first time in millennia--to resume their natural ecological processes. We share his awe, and wonder, as he kayaks among dolphins and seabirds off the coast of Wales and wanders the forests of Eastern Europe, where lynx and wolf packs are reclaiming their ancient hunting grounds. Through his eyes, we see environmental...
