Reviews

An extremely wonderful ebook with lucid and perfect explanations. I was able to comprehend almost everything using this composed e publication. It is extremely difficult to leave it before concluding, once you begin to read the book.

Createspace, United States, 2014. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Do you ever wonder what your dogs are thinking? How they feel? What they re dreaming about as they run, whimper, bark, and growl in their sleep? Who or what they re playing with when they romp around all by themselves? What they re looking at when all you see is a blank wall or an empty doorway? Will we see them again after they ve gone? Are they still here watching over us - helping, perhaps even snuggling with us like they used to? What if they wrote and sent you a story from the great beyond? This Dog s Afterlife answers those questions. Tucker, the canine narrator, takes the reader on an adventure starting from the most unlikely of places: the last day of his life. At that moment, he realizes that the end is really just a new beginning. Tucker encounters many new wonders and finds he has much to learn. Fortunately, he has help in the form of his father, Rocket, and a cast of canine characters who show him the ropes. Along the way, he learns that some souls don t immediately move on to the afterlife, but instead, find themselves adrift. Those souls can be found and helped, but it s a delicate and dangerous task. When he tries to rescue the lost soul of a young boy, Tucker realizes that even after death, sorrow is a very real, very tangible thing, and that there are still fears to overcome and hard choices to be made.
