There are ten epistles that have meant a lot to me; some over many years and some in more recent time. I want to write about them. Unlocking The Secrets Of Philippians is the seventh book I have done in this series. Paul made his first trip to Philippi during his second missionary journey. It was a rough start. Paul, with Silas and Timothy, were walking around preaching the gospel. They had someone tagging along with them; it was a demon possessed fortune teller. Day after day she would cry out that they were from God and were teaching the way of salvation. At some point Paul got annoyed and cast out the demon. This eventually brought the authorities, and a beating to Paul and Silas, who were then jailed. From there great things happened. I hope you will join with me as we look into unlocking the secrets of Philippians.
