Xulon Press, 2013. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. My name is Harold Miller. I m a retired firefighter who love s God and children. God called me to work in a children s ministry at my local church. I have worked in that area for the past ten years. I believe children need to be on a solid foundation, which is Jesus, to live in this world today. That is why I wrote this book so that they can know how to get that solid foundation. When children reach the age of reasoning, they begin asking important questions about God. Parents do not always have all the right answers. This book will help parents answer those questions and guide their child s spiritual welfare. How We Get To Heaven starts with an explanation for the question, who is God? It then tells about creation and the fall of man. It also tells about how Jesus, the Son of God, came to this world and redeemed mankind. The Plan of Salvation is then explained and how the Spirit of God comes and lives within us. Lastly it tells about how we become children of God and heirs to heaven.
