Studying God's World Through Astronomy

By Caryn C Pattison

Createspace, United States, 2012. Paperback. Book Condition: New. 254 x 203 mm. Language: English . Brand New Book ***** Print on Demand *****.This homeschool/ Christian education astronomy book is an introduction to astronomy from a Biblical point of view. It takes into account that God is the Creator of the heavens as it explores space from the Earth to the solar system to the invention of the telescope and early space travel as well as stars, galaxies, nebulae, and more! Colorful illustrations and simple wording segments allow it to be used for students in 1st grade while also including more in-depth sections for 6th and 7th grade students. Use this text alone or in conjunction with your student's grade appropriate lapbook (Studying God's World through Astronomy Lapbooks available for 1st to 3rd grade and 4th to 6th grade) for a creative, fun assessment of all he has learned.
