The Whispers

By Mike Carroll

Mike Carroll. Paperback. Condition: New. 226 pages. Dimensions: 8.4in. x 5.5in. x 0.8in. Throughout each of our lives there have been so many experiences where logic and deductive reasoning just did not provide the answers to the challenges we were facing. We often found ourselves considering other alternatives, such as these flashes of information streaming into our minds in the form of random thoughts. In most cases, we just accepted this insight as our brains simply finding another alternative and then acting on it. We didn't ponder the question, Wait, how is it possible that I have no experience in dealing with this particular issue, nor any potential solutions, yet I seem to know what direction to take? Where did these thoughts come from? Perhaps we should consider the idea that there is something outside of ourselves generating these alternative approaches as well as the other inspirational thoughts that capture our awareness. Further, that this same Source or sources producing these ideas is so common for the human experiencing this life that trying to ignore them is almost impossible. In fact, the pathway for their delivery into our consciousness is such a natural part of the human spirit it has surely...
