HarperCollins Publishers Inc, United States, 2018. Hardback. Condition: New. Language: English . Brand New Book. Vikings meets Frostblood in this romantic historical fantasy stand-alone from author Jessica Leake. The ancient land of Eirinn is mired in war. Ciara, princess of Mide, has never known a time when Eirinn's kingdoms were not battling for power, or Northmen were not plundering their shores. The people of Mide have always been safe because of Ciara's unearthly ability to control her enemies' minds and actions. But lately a mysterious crow has been appearing to Ciara, whispering warnings of an even darker threat. Although her clansmen dismiss her visions as pagan nonsense, Ciara fears this coming evil will destroy not just Eirinn but the entire world. Then the crow leads Ciara to Leif, a young Northman leader. Leif should be Ciara's enemy, but when Ciara discovers that he, too, shares her prophetic visions, she knows he's something more. Leif is mounting an impressive army, and with Ciara's strength in battle, the two might have a chance to save their world. With evil rising around them, they'll do what it takes to defend the land they love, even if it means making the greatest sacrifice of all.
