on education collides with emphasis on victory at all costs. Friendships, sportsmanship and pride of
accomplishment are put to the test when it is discovered that West High is holding its studentathletes back a year in school. The scheme, known as redshirting, is utilized to help the football
team gain a physical advantage over the competition. The news is met with outrage by fans of East
High, which never employed the same tactic. Many think it is hypocritical of parents and coaches to
hold a good student back purportedly for academic reasons, when in reality they are held back for
athletic reasons. Emotions run high and spill over into the community. Will the antagonism
continue to divide the town of Mountainside or will differences be settled on the gridiron?.
