ONE MAN S INITIATION: 1917 (PAPERBACK)

Createspace Independent Publishing Platform, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Springing from the author s first-hand experience as an ambulance driver and Red Cross worker during World War I, this autobiographical first novel is noteworthy for its vivid and colorful evocation of France at that time and for its passionate indictment of war. The author s disillusionment with war for a time turned him toward socialism and against capitalism. Ultimately, after being labeled pro-German and a pacifist, the author concluded that the quasi-religion of Marxism turned loose more brutal aggression than poor old Capitalism ever dreamed of. John Roderigo Dos Passos was a radical American novelist and artist active in the first half of the twentieth century. His novel, Manhattan Transfer, became a huge commercial success but he is perhaps best known for his U.S.A. trilogy which consists of the novels The 42nd Parallel, 1919, and The Big Money. In 1998, the Modern Library ranked the U.S.A. Trilogy 23rd on its list of the 100 best English-language novels of the 20th century. An artist as well as a novelist, Dos Passos created cover art for his books, was influenced by the modernist movements in 1920s Paris, and continued to paint throughout his lifetime.
