Lulu.com, United Kingdom, 2011. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Towards the end of January 1817 a lady novelist, less well-known than she is now begins a novel on an unusual subject: the rise of Sanditon as a sea-side resort. She dies with only a quarter of it written. What was going on in the writer s mind? What could have happened in her story next? Sanditon is a place where anyone (real or fictitious) may turn up for the water cure. They do! Karen Joy Fowler, author of The Jane Austen Book Club , is an admirer - sees Measham s novel as a passionate tribute to Austen and recommends it whole-heartedly . Fowler s review is available in full at:
