

Wake and Sleep

By Aaron Leighton

Templar Publishing, United Kingdom, 2017. Board book. Condition: New. Aaron Leighton (illustrator). Language: English . Brand New Book. Zzzzz! Harvey, Jinja and Jack have fallen asleep and now it s time to wake them up! Help the Sago Mini characters wake up in this interactive lift-the-flap book. Perfect for shared reading or alone-time play, this fun board book features flaps throughout for the reader to explore as they discover the themes of the story. Each flap features a sleeping character on the front, and their awake version underneath. The story encourages the reader to think about what helps them to wake up happy, and wake helps them to go to sleep when they are tired. The interactive lift-the-flap pages ask the reader to wake up the characters anyway they can think of. They may choose to wake Jack the rabbit by tickling his tummy, or give Robin a hug to wake him from sleep. Then the reader must think of a way to make each character fall back to sleep, maybe a lullaby or a story, before closing the flaps and moving on with the story.
