Le Brun Publications. Paperback. Condition: New. 34 pages. Dimensions: 10.7in. x 8.3in. x 0.2in. This Folio deals with the all-important subjects of Primal Powers and Presences on the Magical Tree. Here you will discover insights that are useful for anyone who studies and works with the Magical Tree, whether this be with the archaic forms assimilated to the shamanic pole (cosmic axis), drum and Tree Goddess, or with the philosophical, mystical and occultic incarnations of Qabalah. And yet, while the material given here illuminates these other approaches to the Tree, it is not specific to those forms. The Magical Tree incorporates universal forms, patterns, and energies that have been retained through the ages in later and different forms of the Tree. These writings present the Magical Tree as a practical tradition rooted in the great lunar, solar and stellar cycles in which our ancestors participated and from which they drew deep understanding, awareness, and harmony of being. The Green Fire Folios Series of full-colour chapbooks was founded in 2013 by Coleston Brown. Destined to be to become collectors items, each volume combines succinct, insightful text with appealing, meaningful illustrations. Much more than introductory essays on important themes, Green Fire Folios are condensed, profound, practical guides to the essential teachings of the Magical Way and the Faery Tradition. This item ships from multiple locations. Your book may arrive from Roseburg,OR, La Vergne,TN. Paperback.
