*This book is definitely not effortless to start on reading through but extremely fun to learn. Better then never, though i am quite late in start reading this one. It is extremely difficult to leave it before concluding, once you begin to read the book.*

Cottonwood Press Inc. Paperback. Book Condition: new. BRAND NEW, A Sentence a Day: Short, Playful Proofreading Exercises to Help Students Avoid Tripping Up When They Write, Samantha Prust, These brisk and humorous one-sentence examples of writing mistakes provide teachers with what are often called daily oral language exercises that help students master the basics of capitalisation, mechanics, punctuation, and usage. Such quick mini-lessons can become boring when the sentence comes from another classroom subject such as science, but this book's punchy declarations get kids' attention and keep the focus on writing. Each exercise includes an at-a-glance summary of skills addressed, as well as quick ideas and tips to help students understand basic grammar concepts.
