

Spareme: Avoiding the Pit Falls of Business by Applying What You Do Subconsciously in Life (Paperback)

By Stephen James Fern

Createspace Independent Publishing Platform, United States, 2012. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Where can I find a simple, straightforward guide with suggestions and proven techniques for improving my business s chances of success? That was the question I asked myself after spending countless evenings on the Internet and in libraries researching different business topics. In this book, you will find clear steps to implement that will enhance your business s ability to be successful. You will soon realize that these are the same actions we take subconsciously in our everyday lives. From problem identification to project selection and implementation, SpareMe will identify and explain some of the key aspects of running a successful business.
