Interweave Press Inc, United States, 2011. Paperback. Condition: New. Language: English . Brand New Book. With Kristin s unique technique, crocheters of all skill levels will now be able to create motif-based patterns in one piece, eliminating seams or sewing, and leaving only two ends to weave in. Her modular construction allows one motif to flow directly into the next, creating secure joins and beautiful geometric patterning on the exterior round. Inside are twenty projects to teach beginner to intermediate crocheters this tail-free technique. Seamless Crochet comes with a helpful instructional DVD of Kristin guiding you step by step through her process. Also included is a motif directory of original designs with expert advice on how to adapt any motif-based crochet design to this seamless technique. Seamless Crochet will transform the way you approach every crocheted motif-based design, giving you professional crochet results in a fraction of the usual time.
