Friesenpress, 2011. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. It is midnight and the moon is full and very bright. Earth unicorns leave their cave to play in a magic lake. Restless horses, on a nearby farm, feel the need for an adventure. The moon smiles and stretches her moonbeams. Two moonicorn fairies are born. Moonicorns leave the moon to take the fairies on an earth adventure. Is this adventure a DREAM? Could the horses be mystically, magically moonstruck? If so, then why are the the new baby moonicorn fairies still hiding in their manes after sunrise? In this enchanting, dreamy fairytale Heather MacLean brings to life an adventure of fairies, unicorns, horses and moonicorns (unicorns that live on the moon) with her delightful illustrations and clear text. She effectively combines fact and fantasy as the full moon shines on both hemispheres in turn. Earth horses unite with mythical creatures. Baby moonicorn fairies celebrate their birthdays with the stars, creating a spectacle of lights in the sky. This delightful story can also be used to develop the aural, visual, verbal and fine motor skills of the child when combined with classical music.
