Createspace Independent Publishing Platform, United States, 2015. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.The world is made alive with color. It defines the parameters of our universe and it is used to describe our moods and emotions. This beautiful book includes prints, some of which have mantras / affirmations, that can be used to inspire, motivate, visualize, meditate, and manifest including a balancing of the sacred chakras in the body. This book has colors primarily in the color as stated in the title for people who wish to enhance that energy in the life or simply just like that color and would like to decorate with it. This book includes prints that may be kept intact in the book or may be cut out and hung in order to decorate or as a aid to memory. The original paintings that were used to create the prints in the book were also painted by Grace Divine. These paintings were designed to fit a Shabby Chic style. They were made in layers and they were dedicated and inspired by ANGELS or ANGELIC concepts and ideas. And thus, each painting can be thought to represent a prayer. And I, as the author of the book and painter of the art believe that the images carry my intention which is positive and loving and energized with notions of powerful manifestation energy. The book has multiple uses. Use the book as a coffee book to decorate. Use it as prints to decorate your home or office. Use prints to enhance memory. Use prints to create an environment of positivity. Use prints to visualize a state of mind for purposes of manifesting. Use the prints while meditating and to balance the chakras. The words in the print books can...
