REAL CAUSE, REAL CURE (PAPERBACK)

RODALE PRESS, United States, 2012. Paperback. Condition: New. Reprint. Language: English . Brand New Book. This is an eye-opening guide that boils down common health problems to nine simple causes and offers the relief readers have been searching for. An expert in combining both traditional and alternative medicine, Dr. Teitelbaum explains that tackling nine wholly preventable causes is the key to long-term, real relief from nagging health concerns. Real Cause, Real Cure unearths the underlying causes of more than 50 health problems, steering readers toward cost-effective, safe, and easy remedies to combat woes ranging from acne and food allergies to diabetes and cancer. Readers will discover how getting a full night's rest can combat heart disease, diabetes, depression, heartburn, weight gain, and chronic pain; how adding exercise to one's daily routine not only prevents an expanding waistline, but also wards off Alzheimer's, fibromyalgia, insomnia, and stroke; and how drugs taken to improve our health are a major culprit in why we keep getting sick. This user-friendly guide takes the confusion out of personal health care so readers can enjoy a life free of needless prescriptions, doctors offices, and irritating health issues.
