Loris a beautiful, blonde, all-American athlete. When the charismatic ruler of a small, filthy rich European asks for her hand, she thinks she's snagged Prince Charming. But she soon realises that all that glitters is not gold. Belinda was once the most recognised and loved princess in the world. Forced to stage her own death, she lives incognito with her adoring royal lover. Now she is determined to return to England to see her son Hugo wed, even if it means risking her own life. Chloe, Prince Hugo's fiancée, is the archetypal English rose. But it's a long road to becoming a princess, even when you're dating the heir to the throne. Perhaps the fairytale ending isn't all it was cracked up to be. Killer queens, scheming kings, murder plots, princes behaving badly and lashings of steamy sex find out what really goes on behind closed palace doors! This item ships from La Vergne, TN. Paperback.
